Dear Illinois Art Faculty Colleagues,

Southern Illinois University - Carbondale is pleased to host the spring semi-annual meeting of the Illinois Higher Education Art Association. The IHEAA provides a network for facilitating dialogue between the faculty of colleges and universities in the State of Illinois. The IHEAA in recent years has worked on the design of a core transfer curriculum. Currently the IHEAA has been developing faculty consensus concerning the general course objectives and curriculum for the art foundations transfer curriculum. This fall's meeting will feature discussion on the topics of *Retention: Problems and Methods* and *Recruitment: Problems and Methods*. There will also be the IAI Art Panel meeting in the afternoon.
